# **GROSS CURRENTS IN** THE STOCK MARKET BALLES!

the attitude of the professional traders toward the close was the action of the handful of prominent stocks which handful of prominent stocks which five been the leaders of the market throughout the summer. In these it was restrained by encountering orders opposed to the movement before it had run far. An advance in the price attracted selling pressure, while any recession brought in buying orders sufficient to check the decline. The selling developed each time at about the price where dealings yesterday left off. The general news events of the tay had little reflection in the stock market. The money market remains in tranquil state. Announcement that earings will be begun next month in se government suit to annul the merer of the rallroads under Harriman introl served as a reminder of such suit, which loomed large at one time the speculative view, but which base

What Bryan Did Say.

CHICAGO, ILL., October 23.—"I protest against their being placed before the country as beggars. They do not ask for pity; they do not ask for charity; they simply demand justice." This quotation was officially promulgated by John E. Lamb, in charge of Democratic headquarters here, to-day as being what Mr. Bryan actually said upon the occasion when he is alleged to have referred to laboring men as "public beggars."

"While the charge came only from
